

Registration is now open for the BRA sponsored a trip to Longwood Gardens in Kennett Square, PA on December 12th. The highlight of the trip is the famous [A Longwood Christmas](#) light display and view the just finished project, [Longwood Reimagined](#). The trip, by coach, will leave Broadmead shortly after noon in time to arrive at Longwood to see the newly opened facilities, and will return after dark with time to see the magnificent Christmas lights. The \$70 cost of the trip is underwritten by the BRA Trip Committee and includes the transportation and admission to the Gardens. The bus will deliver

us to the Visitor Center at Longwood where we will pick up the entrance tickets. It will pick us up at the same location at the end of the day. The attachment has the detailed schedule and the link to register. Registration is also available on Broadmead Connect (CareMerge), on the BRA website, or you can click on the button below to go directly to the registration site. People who had expressed interest earlier still need to register to reserve a place and pay. Please register soon so we can watch the how many are going. The coach has seating for forty people. We don't anticipate selling out, but, if we do, there will be a wait list. Registration will be open until November 17.

This is a charter bus with a bathroom. There is no lift to enter or exit the bus. There are stairs to enter and exit the bus. There is small storage area under the bus for rollators and scooters. If the scooter cannot fold, it may not fit. If you wish to disassemble it to allow it to fit, you would need to be able to do that yourself and reassemble on arrival. The charter bus company driver will not take it apart to fit.
